

Rockingham Community Newsletter

SPRING 2018

Board Meeting

The next Member meeting will be held on May 8, 2018 from 7:30-9:00pm at the Boonsboro Volunteer Fire Department located at 5 St. Paul Street in Boonsboro.

The entrance is on the right side, towards the front of the building. Parking is in the rear behind the station as well in the town parking lot, across the side alley from the Station. Please do block any fire lanes!

Items to be discussed and voted on are the new community area, a permanent light at the front sign as well as the budget for these improvements. A reserve budget for the upkeep and maintenance of our sign will also be presented and voted on.

Bylaw Committee

The next Bylaw Committee review meeting will be held on Tuesday, May 8th at 6:30-7:30pm at the Boonsboro Volunteer Fire Department before the Member Meeting.

This Committee is in place to review and determine what, if anything should be changed. If you are interested in being a part of this committee, please feel free to join. Also keep an eye out on the website or the Facebook page for upcoming meeting dates.

Speeding

This is just a friendly reminder to please keep your speed at or below 25 mph and obey all stop signs when driving through the community. We want to ensure that all our residents feel comfortable when walking or riding bikes in our community.

HOA Covenants

Please keep in mind the HOA Covenants in regards to Boats, RV's and Trailers. These cannot remain in the community for more

than **two (2) consecutive days** in preparation for a trip. However, Boats of 20 feet or less in length and "pop-up" style campers (no longer than 6 feet) are permitted as long as they are garaged with the garage door(s) closed or hidden from view by solid board fencing and stored in rear yards only.

Another reminder is that parking on the streets is not permitted. Please use your driveways unless you absolutely need the street for **temporary** overflow.

Architectural Changes

Are you interested in updating the exterior of your home? This is a reminder that all exterior changes to your home require an Architectural Change Request to be completed and approved before construction begins. Please visit the website to obtain the appropriate forms. Please note that three (3) copies of these forms are to be submitted for approval.

Website

Have you visited the community website? Check it out at:

<http://rockinghamhoa.net>. This is the source of electronic communication from the Board of Directors. Also, check us out on Facebook. Our Facebook page is Rockingham HOA. Send us a request to join.
